

AGC Education Foundation

EDUCATION GRANTS

The AGC Education Foundation Education Grants Program serves to provide funding for projects that address a demonstrated need in the construction industry, encourage and attract competent people to a career in construction, make an effective use of volunteers and/or matching funds, and create a positive impact on construction workforce issues in Washington state.

Application Guidelines

Applications must be received by February 1, 2019 - no exceptions. Proposed projects or programs must achieve or support one of the following:

- Promotion of academic and technical training achievement that lead to construction industry careers.
- Community based non-profit organizations addressing construction industry workforce development issues and needs.
- Promotion of education and awareness of construction career pathways in grades K-12.
- Promotion of education and awareness of the construction industry to 18-28 year olds.

Priority is given to grant proposals that encourage careers in construction, make effective use of volunteers and/or matching funds, and create a positive impact on construction workforce issues in Washington state.

General Information

Organization: _____

Type of organization: School Nonprofit Other _____

Address: _____

City: _____ State: Washington Zip: _____

Phone: _____ Website: _____

Program Information

Title of Project/Program: _____

Program timeline: _____
