

2018-2019 Scholarship Recipient

*Larry Johnson/Prime Construction Scholarship
Mr. and Mrs. Allan F. Osberg Scholarship*

Jordan Weiberg

Senior, Central Washington University

My name is Jordan Weiberg, and I will be graduating with a degree in Construction Management from Central Washington University in March of 2019. I am an avid member of the AGC student chapter, and this year's president. I am a member of Sigma Lambda Chi, the CWU chapter of the Construction Management honor society, and the Phi Kappa Phi honor society. I am also on CWU's Heavy Civil ASC Reno Competition Team for the 2018-2019 school year.

Construction has always been a part of my life. During my youth, it was in the form of Tonka Trucks and Legos, the remodel of my childhood home, and Skills USA; now, it's maturing into a career. My spare time on school breaks and long weekends is often spent hiking, playing ultimate frisbee, golfing, gardening, and woodworking in a shop I have set up in my parents' home.

My goal at CWU has been to accumulate as much construction experience as I am able to while taking advantage of as many opportunities from the Construction Management program as possible. In addition to my studies, I have spent my college summers as a laborer for Quigg Brothers Inc. and as an Engineering Intern for Shimmick Construction Co. This past summer I interned with Shimmick and worked on the E320 South Bellevue Extension. After graduation, I hope to join the Shimmick team and begin working towards an upper management position.

Additionally, Jordan was a recipient of the following 2017-2018 AGC Education Foundation Scholarships: Robert L. Landau and Betty L. Landau Scholarship, Mr. and Mrs. Allan F. Osberg Scholarship, Larry Johnson/Prime Construction Scholarship, and Mr. A. E. DeAtley Memorial Scholarship.
